Senator for a Day

Hosted by:
State Senator
Frank Farry

Neshaminy High School • October 22, 2026

This day gives students an opportunity to get a glimpse of how government functions and how it reacts to public policy issues.

Here's your chance to be Senator For A Day.

– Senator Farry

Have you ever wondered what it would be like to be a state senator? This seminar will give you a chance to find out. You'll serve on a Senate committee, develop positions on legislation, debate issues in front of your classmates and learn what it takes to get a law passed or defeated. Rather than reading about the process, you'll be a part of it – helping to shape the policies and laws that affect your life.
